

Product Overview

The AX-VUE series of enclosures provide a low-cost solution for housing electrical components and equipment in environments where IP65 protection is required.

Available in black, grey or grey with transparent lid and various sizes. The large enclosure is available with optional TS35 section DIN rail mount for quick installation of BMS equipment.

Features

- IP65 tamper-proof seal
- Captive, quick-release fasteners
- Optional internal TS35 DIN rail section
- Robust thermoplastic

Product Specifications

Material:	Black / Grey / Grey with Transparent Lid - Thermoplastic		
Protection Rating:	IP65		
Insulation:	Double insulated up to 500V		
Temperature Range:	-25°C to 60°C		
Impact Resistance:	IK07		
Glow Wire Test:	650°C		
Dimensions:	Small: 110 x 110 x 60mm	Large: 165 x 145 x 84mm	
	Medium: 160 x 120 x 71mm	X-Large: 230 x 180 x 88mm	
Country of Origin:	United Kingdom
